Who We Are

Working with families is an incredibly rewarding experience. We really enjoy being included in all of the meaningful milestones, it's our favourite part of what we do.

We have a lovely professional studio for our portraits. We'll make you and your family feel happy, comfortable and secure, whether you're here at our studio in Al Quoz (just around the corner from The Lime Tree Café) or at the location of your choice.

If you're more comfortable at home, or would rather enjoy a free spirited shoot at the beach, we're happy to come to your location of choice for your family portraits. Our photographers will make you and your family feel happy, comfortable and secure, getting the best shots of your family in any situation.

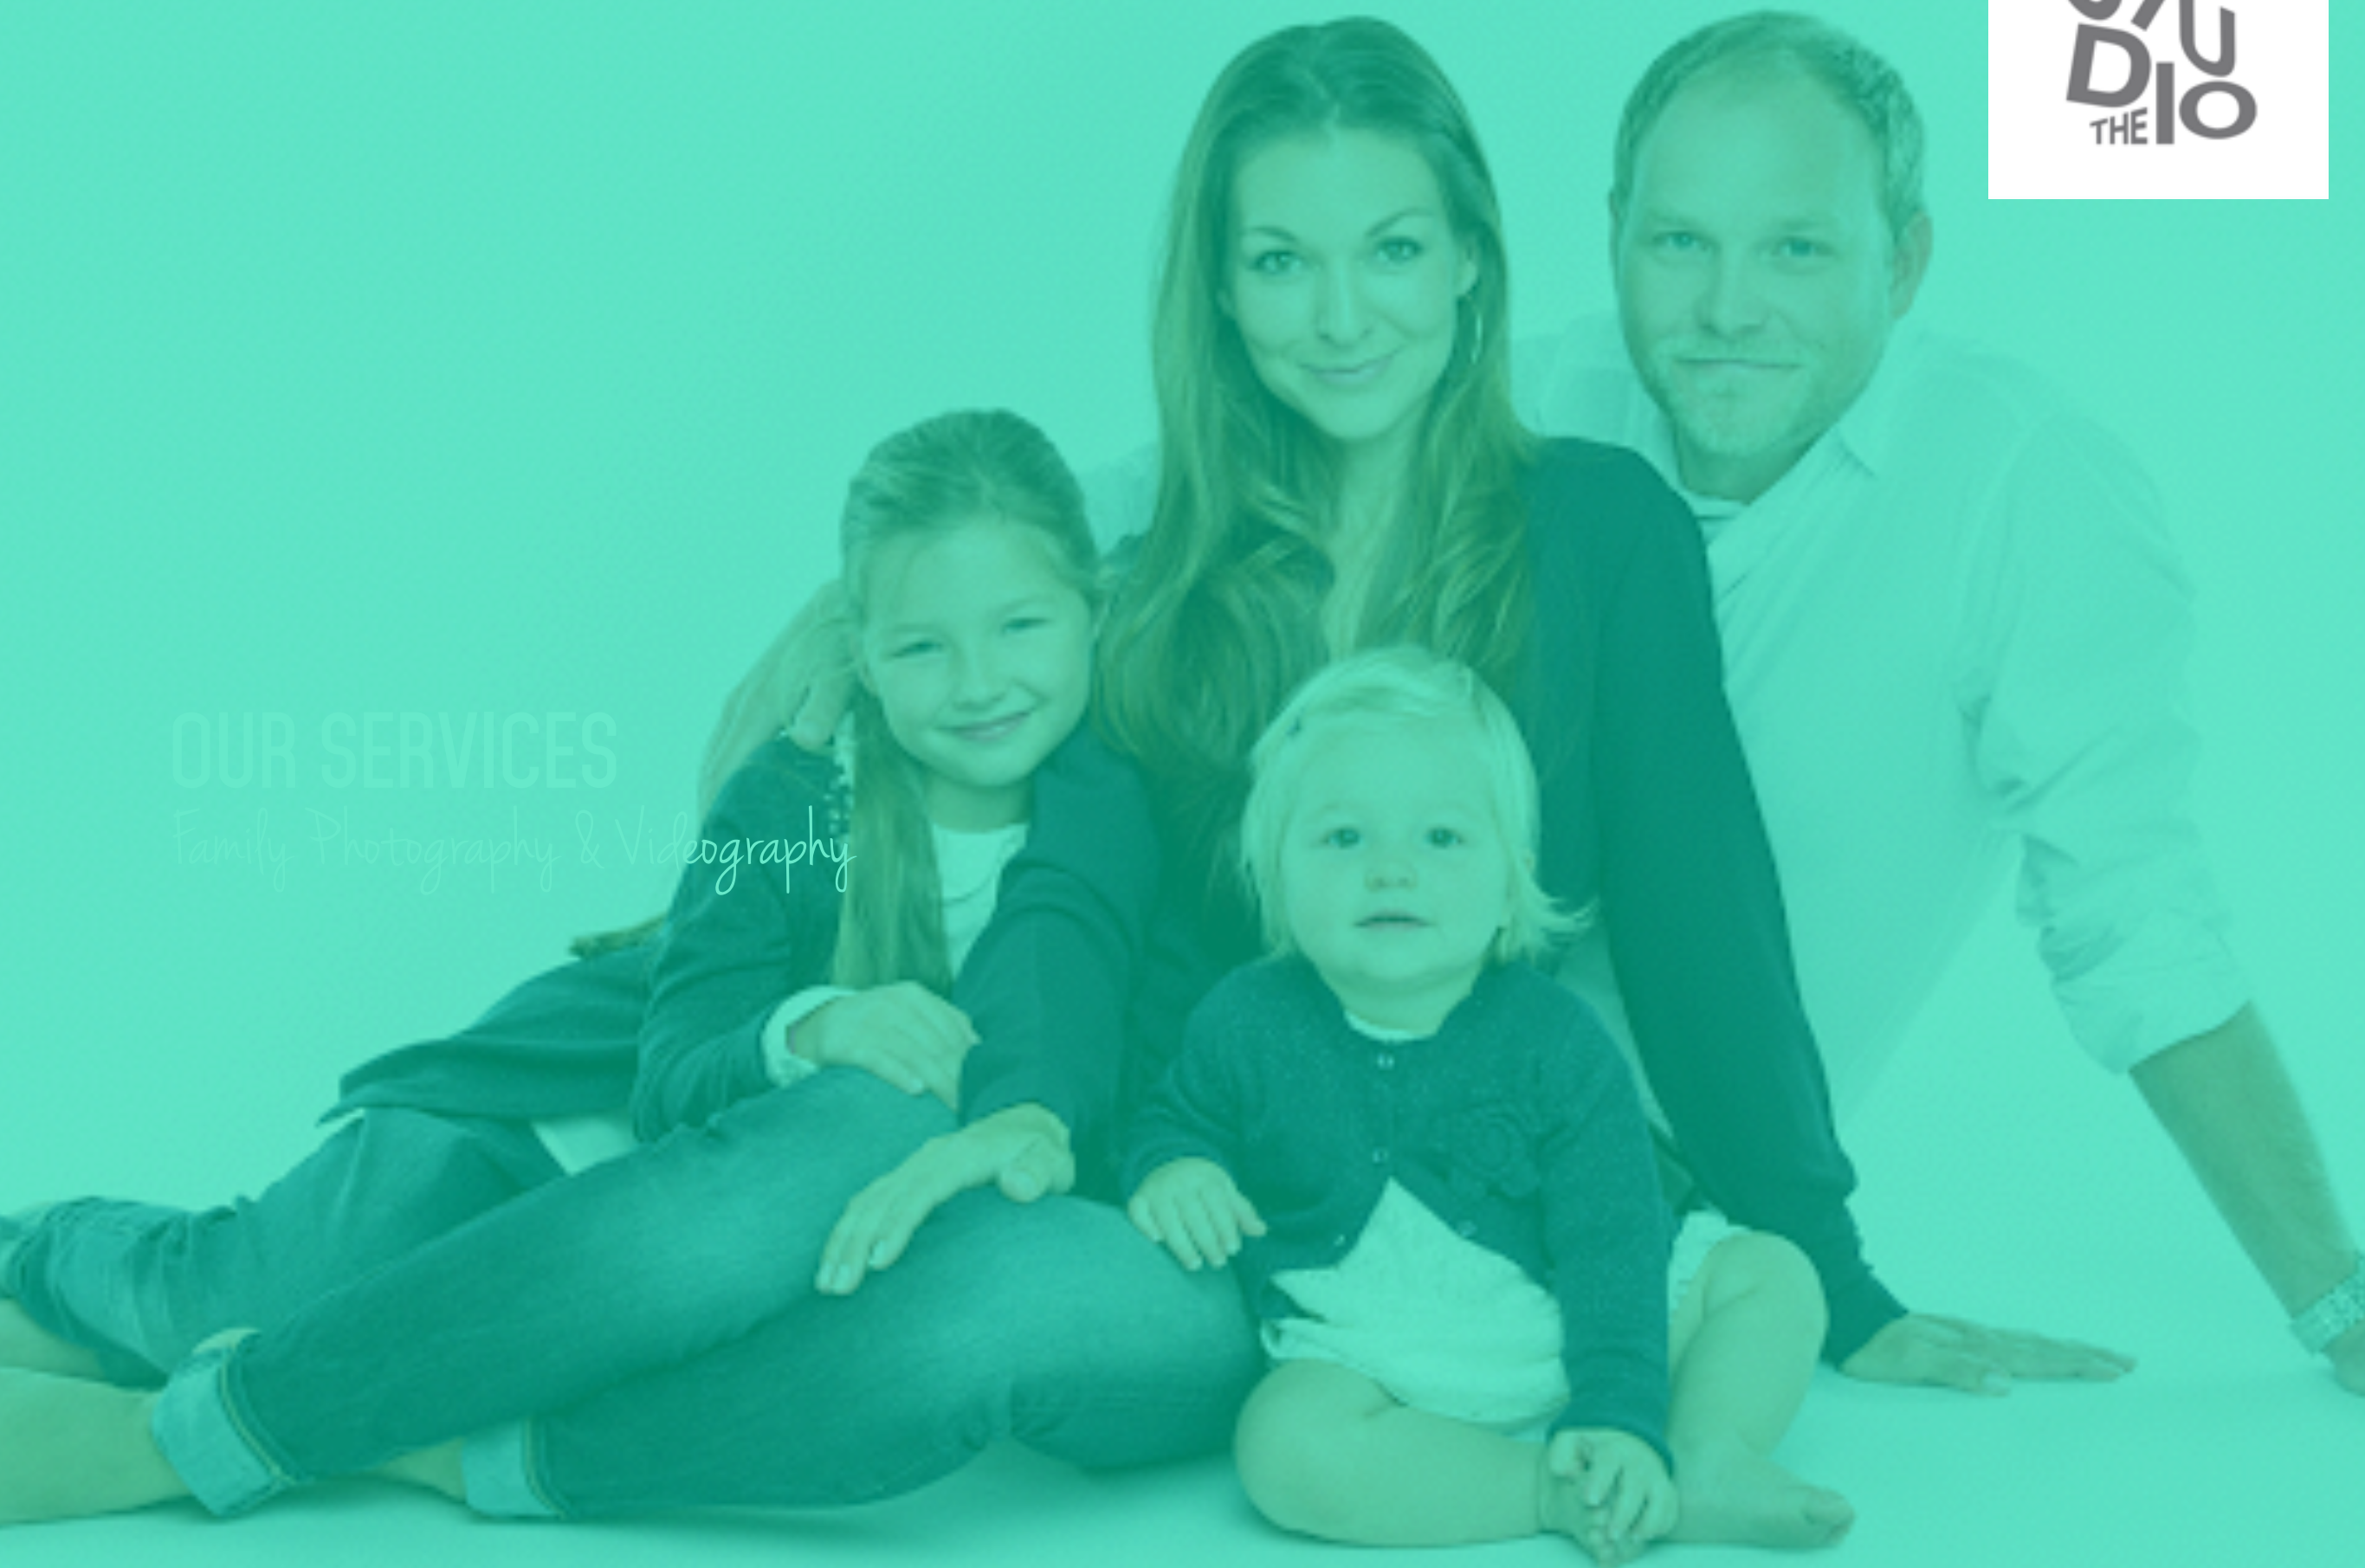

Our expert family photographers and videographers will document all your family events, birthdays, baby showers or anniversaries in a relaxed documentary style that highlights the mood and best moments of your event.

If you're looking for a space for a dream party, look no further than our studio space – it's for rent, and is spacious, beautiful and child friendly.
